Index to Volume 38 (1967)

Prepared for the Research Council by
J. GROVE WOLF
assisted by
BERNARD G. STARKS

Authors and important topics are indexed. Topics selected for indexing are those for which the article supplies information or data. The brief descriptive phrase is followed by the author's name, month, and page of reference.

abdominals
the curl-down test as a measure of strength, Harvey, V. P., and Scott, G. D., March 22.

acclimatization
performance of men, Shephard, R. J., May 291.

accuracy
effects of golf methods and grips on power and, Burdy, B. J., and Stallard, M. L., Oct. 480.
effect of training on throwing velocity and, Grose, D. E., and Hanson, D. L., Dec. 528.

Adams, William C., Dec. 515.

aerobic capacity
investigation of Ryhming step test, Day, J. A. P., Dec. 539

age
sex, and maturity differences in arm composition, Malina, R. M., and Johnston, F. E., May 219.

Alderman, Richard B., March 3, Oct. 323.

altitude
and performance, Shephard, R. J., May 291.

anthropometrics
the curl-down test as a measure of abdominal strength, Harvey, V. P., and Scott. G. D., March 22.
flexibility related to physical dimensions, Harvey, V. P., and Scott, G. D., March 28.

archery
perception of pull and draw, Eckert, H. M., and Wendt, D. M., Dec. 544.

arm
timing and movements of body, finger, and, Grose, J. E., March 10.
positional test of kinesthetic sense, Christina, R. W., May 177.
age, sex, and maturity differences in composition of, Malina, R. M., and Johnston, F. E., May 219.
effects of distances and handedness on timing of legs and, Norrie, M. L., May 241.
effects of isometric routines on strength, size, and endurance of, Meyers, C. R., Oct. 430.

athletes
temperaments of majors and, Ibrahim, H., Dec. 615.

attitude
related to success in physical education, Vincent, M. F., March 126
toward isometric exercises, Baley, J. A., March 143.
prediction of success in activities from strength, efficiency, and, Vincent, M. F., Oct. 502.

Bachman ladder climb
balance learning as influenced by lay-offs, Meyers, J. L., March 72.

badminton
intelligence and skill related to success in tennis and, Thorpe, J., March 119.
effect of loop films on learning, Gray, C A., and Brumbach, W. B., Dec. 562.

balance
coordination learning influenced by lay-offs, Meyers, J. L., March 72.
interrelationships between static and dynamic, Drowatzky, J. N. and Zuccato, F. C., Oct. 509.

Baley, James A., March 143.

baseball
cardiac response to, Hanson, D. L., Oct. 384.
effects of training on throwing velocity and accuracy, Brose, D. E., and Hanson, D. L., Dec. 528.

Behrman, Robert M., May 163.

Beisman, Gladys L., May 172.

bend and reach
flexibility and physical dimensions, Harvey, V. P., and Scott, G. D., March 28.

Berger, Richard A., March 144, May 314, Oct. 330, 507, Dec. 715.

Blaschke, Leon A., March 144.

Blievernicht, David L., March 146.

blood
postexercise effects on leucocytosis, McDavid, R. F., May 213.

Blyth, Carl S., March 64.

boating
regattas from 1852-1875, Lewis, G. M., Dec. 637.

body
timing and movements of finger, arm, and, Grose, J. E., March 10.
composition, strength, and work capacity of women in intercollegiate sports, Conger, P. R., and Macnab, R. B. J., May 184.

Bookhout, Elizabeth C., Oct. 336.

bowling
evaluating ability, Liba, M. R., and Olson, J. K., May 193.

Boyer, John L., Oct. 355.

Brose, Donald E., Dec. 528.

Brown, Joe, Oct. 348.

Brumbach, Wayne B., Dec. 562.

caffeine
effects on performance of d-amphetamine sulfate, temperature, and, Lovingood, B. W., and others, March 64.

cardiac
response to Little League baseball, Hanson, D. L., Oct. 384.

cardiorespiration
adaptations to training, Sharkey, B. J., and Holleman, J. P., Dec. 698.

Carlson, B. Robert, Oct. 405.

Carter, J. E. Lindsay, Oct. 355.

chins
predicting 1-RM from repetitive, Berger, R. A., Oct. 330.

Christina, Robert W., May 177.

cinematography
mechanical analysis of vaulting pole bend, March 34.
a timing device for, Blievernicht, D. L., March 146.
trampoline performance, Shvartz, E., May 300.
tumbling skill and diagnosis, Girardin, Y., and Hanson, D., Dec. 556.

circulation
procedures for reduction of stress, Falls, H. B., and Richardson, R. D., Dec. 550.

circuit training
time allotments, Hakes, R. R., and Rosemier, R. A., Dec. 576.

competencies
and problems of physical education teachers, Roundy, E. S., May 274.

competition
intelligence and skill related to success in badminton and tennis, Thorpe, J., May 119.

conditioning (*see* physical fitness.)

Conger, Patricia R., May 184.

coordination
balance learning as influenced by layoffs, Meyers, J. L., March 72.

Corbin, Charles B., Dec. 534.

Cotten, Doyice, Oct. 366.

creatinine
excretion of as an index of muscular activity, Konishi, F., Oct. 398.

curl-down test
a measure of abdominal strength, Harvey, V. P., and Scott, G. D., March 22.

d-amphetamine sulfate
effects on performance of caffeine, temperature, and, Lovingood, B. W., and others, March 64.

dance
effects of tempo changes upon emotions in, Hays, J. C., Oct. 389.

dash
see sprinting.

Day, James A. P., May 247, Dec. 539.

Day, June, Oct. 380.

diagnosis
relationship between tumbling performance and, Girardin, Y., and Hanson, D., Dec. 556.

dips
predicting 1-RM from repetitive, Berger, R. A., Oct. 330.

distance
and handedness effects on timing of arms and legs, May 241.

Dowell, Linus J., Dec. 719.

Drowatzky, John N. May 247, Oct. 375, 509.

drugs
effects of d-amphetamine sulfate, caffeine, and temperature on performance, Lovingood, B. W., and others, March 64.

dynamometer
the curl-down test as a measure of abdominal strength, Harvey, V. P., and Scott, G. D., March 22.
relationship of galvanic skin response to task difficulty, personality traits, and motivation, Lakie, W. L., March 58.
effects of tennis instruction, Woods, J. B., March 132.

Eckert, Helen M., Oct. 380, Dec. 544.

electrogoniometry
study of jumping events, Klissouras, V., and Karpovich, P. V., March 41.

emotion
relationship of galvanic skin response to task difficulty, personality traits, and motivation, Lakie, W. L., March 58.
social climate related to teaching, Bookhout, E. C., Oct. 336.
effects of changes in dance tempo on, Hays, J. C., Oct. 389.

endurance
duration of isometric contraction to strength and, Cotten, D., Oct. 366.
effects of isometric routines on strength, size, and, Meyers, C. R., Oct. 430.
effects of smoking abstinence on swimming, Pleasants, F., and others, Oct. 474.
relationship and effect of variables on running, Adams, W. C., Dec. 515.

equipment
effect of weight of on skill acquistion, Wright, E. J., Dec. 705.

exercise
attitudes towards isometrics, Baley, J. A., March 143.
performance of a simple mental task following, McAdam, R. E., and Wang, Y. K., May 208.
effect of isometric routines on strength, size, and endurance in arms, Meyers, C. R., Oct. 430.
and sedentary patterns of rats, Hanson, D. L., Dec. 593.
effects on ATP in muscle, Harris, J. W., Dec. 598.

Falls, Harold B., Dec. 550.

finger
timing and movements of body, arm, and, Grose, J. E., March 10.

flash cards
vs. motion pictures for play recognition, Londeree, B. R., Jr., May 202.

flexibility
relationship to physical dimensions, Harvey, V. P., and Scott, G. D., March 28.
performance of mentally retarded on Kraus-Weber test, Brown, J., Oct. 348.

football
motion pictures vs. flash cards for play recognition, Londeree, B. R., May 202.

Frank, James H., Oct. 510.

French test of insight
relationship of galvanic skin response to task difficulty, personality traits, and motivation, Lakie, W. L., March 58.

Frost, Reuben B., May 283.

galvanic skin response
difficulty, personality, and motivation related to, Lakie, W. L., March 58.

Gillespie, Dorwin K., March 149.

Girardin, Yvan, Dec. 556.

golf
comparative effectiveness of grips, Alderman, R. B., March 3.
effects of learning and grips on power and accuracy, Purdy, B. J., and Stallard, M. L., Oct. 480.

Gray, Charles A., Dec. 562.

grip
comparative effectiveness for teaching golf, Alderman R. B., March 3.
strength, Montpetit, R. R., and others, May 231.
and learning effect on power and accuracy in golf, Purdy, B. J., and Stallard, M. L., Oct. 480.

Grose, Joel E., March 10, Dec. 570.

Grugan, Joseph, Oct. 474.

Hakes, Richard R., Dec. 576.

handball
measure of ability, Drowatzky, J. N., and Hansan, J. F., May 247.

handedness
and distances effect on timing of arms and legs, Norrie, M. L., May 241.

Hansan, John F., May 247.

Hansen, Gary F., Dec. 585.

Hanson, Dale L., Oct. 384, Dec. 528, 556, 593, 723.

Hardage, Billy, Dec. 715.

Harris, Julia W., Dec. 598.

Harvey, Virginia P., March 22, 28.

Hawthorne effect
influence on research, Hanson, D. L., Dec. 723.

Hay, James G., March 34.

Hays, Joan C., Oct. 389.

health
media source use for, Gillespie, D. K., March 149.

heart
differences in rate response to work, Alderman, R. B., Oct. 323.

Henry, Franklin M., May 317.

high jump
electrogoniometric study of, Klissouras, V., and Karpovich, P. V., March 41.

Hodgkins, Jean, May 305.

Hoepner, Barbara J., Dec. 605.

Holleman, John P., Dec. 698.

Ibrahim, Hilmi, Dec. 615.

imagery
differences with levels of motor skill, Moody, D. L., Oct. 441.

impulse
effect on momentum on trampoline, Shvartz, E., May 300.

instruction
effect of on motor skill, Woods, J. B., March 132.

intelligence
and skill related to success in badminton and tennis competition, Thorpe, J., March 119.
effect of on training play recognition, Londeree, B. R., Jr., May 202.

interval training
effects of direct practice, repetitive sprinting, and weight training on motor performance, Schultz, G. W., March 108.

isometrics
attitudes towards, Baley, J. A., March 143.
duration of contraction to endurance and strength, Cotten, D., Oct. 366.
effects of routines on strength, size, and endurance in arms, Meyers, C. R., Oct. 430.
development and maintenance of strength, Morehouse, C. A., Oct. 449.
effects of knowledge of results, Berger, R. A., Oct. 507.
effect of motive-incentive on strength development, Hansen, G. F., Dec. 585.

Jarvis, Lindle, Dec. 623.

Johnson, Barry L., Dec. 630.

Johnston, Francis E., May 219.

juggling
effects of mental practice upon, Corbin, C. B., Dec. 534.

jumping
electrogoniometric study of, Klissouras, V., and Karpovich, P. V., March 41.

karate
personality profiles of participants, Kroll, W., and Carlson, B. R., Oct. 405.

Karpovich, Peter V., March 41.

Kasch, Frederick W., Oct. 355.

kinesiology
electrogoniometric study of jumping events, Klissouras, V., and Karpovich, P. V., March 41.

kinesthetic
side arm postional test of, Christina, R. W., May 177.
and tactile stimuli response, LaBarba, R. C., Oct. 420.
sensitivity of joint angle and threshold for weights, Norrie, M. L., Oct. 468.

Klissouras, Vassilis, March 41.

knowledge
of results of isometric strength, Berger, R. A., Oct. 507.
of mechanics and tumbling skill and diagnosis, Girardin, Y., and Hanson, D., Dec. 556.

Konishi, Frank, Oct. 398.

Kraus-Weber test
performance of mentally retarded, Brown, J., Oct. 348.

Kroll, Walter, March 49, Oct. 405, 412.

LaBarba, Richard C., Oct. 420.

Laeding, Lawrence, May 231.

Lakie, William L., March 58.

learning
(*see* also motor learning)
balance coordination influenced by layoffs, Meyers, J. L., March 72.
generality and specificity of motor skills, Oxendine, J. B., March 86.
of motor skills and rhythmic accompaniment, Beisman, G. L., May 172.
and grip effects on power and accuracy in golf, Purdy, B. J., and Stallard, M. L., Oct. 480.
effect of badminton loop films on, Gray, C. A., and Brumbach, W. B., Dec. 562.
motor ability, and visual adjustment, Hoepner, B. J., Dec. 605.
of motor skills and self-instructive materials, Jarvis, L., Dec. 623.

legs
effects of distances and handedness on timing of arms and, Norrie, M. L., May 241.

leucocytosis
effects of intermittent work on, McDavid, R. F., May 213.

Lewis, Guy M., Dec. 637.

Liba, Marie R., May 193, Dec. 649.

Lindsay, Robert B., March 64.

Little League
cardiac response to baseball, Hanson, D. L., Oct. 384.

Londeree, Ben R., Jr., May 202.

long jump
electrogoniometric study of, Klissouris, V., and Karpovich, P. V., March 41.

loop films
effect of on learning badminton, Gray, C. A., and Brumbach, W. B., Dec. 562.

Lovingood, Bill W., March 64.

Lufkin, Bernardine, Dec. 663.

Lyons, Marjory D., Dec. 663.

Mabee, Daniel, May 314.

Macnab, Ross B. J., May 184.

Malina, Robert M., May 219.

maturity
age, and sex differences in arm composition, Malina, R. M., and Johnston, F. E., May 219.

Maudsley personality inventory
relationship of galvanic skin response to task difficulty, personality traits, and motivation, Lakie, W. L., March 58.

McAdam, Robert E., May 208.

McArdle, William D., Dec. 671.

McDavid, Robert F., May 213.

mechanics
analysis of vaulting pole bend, Hay, J. G., March 34.
knowledge of and relationship between skill and diagnosis, Girardin, Y., and Hanson, D., Dec. 556.

memory drum theory
practice effects on reaction latency for movement, Norrie, M. L., March 79.

menstrual cycle
pulse, weight, and temperature during, Phillips, M., May 254.

mental task
performance following treatments, McAdam, R. E., and Wang, Y. K., May 208.

mental practice
review and discussion, part I, Richardson, A., March 95.
review and discussion, part II, Richardson, A., May 263.
effects on skill development, Corbin, C. B., Dec. 534.

mentally retarded
performance on Kraus-Weber test, Brown, J., Oct. 348.

Meyers, Carlton R., Oct. 430.

Meyers, Judith L., March 72.

Mohr, Dorothy R., Dec. 725.

momentum
effect of impulse on trampoline performance, Shvartz, E., May 300.

Montpetit, Richard R., May 231.

Montoye, Henry J., May 231, Dec. 671.

Moody, Dorothy L., Oct. 441.

Morehouse, Chauncey A., Oct. 449.

motion pictures
vs. flash cards for play recognition, Londeree, B. R., Jr., May 202.
performance of mental task following, McAdam, R. E., and Wang, Y. K., May 208.

motivation
galvanic skin response related to difficulty, personality, and, Lakie, W. L., March 58.
effect on isometric strength training, Hansen, G. F., Dec. 585.
effect of on training and testing of strength, Johnson, B. L., and Nelson, J. K., Dec. 630.

motor ability
relationship to strength, Berger, R. A. and Blaschke, L. A., March 144.
and handball ability, Pennington, G. G., and others, May 247.
relationship of size constancy to, Drowatzky, J. N., Oct. 375.
imagery differences with varying levels of, Moody, D. L., Oct. 441.
motor learning, and visual adjustment, Hoepner, B. J., Dec. 605.

motor learning
perception and transfer effects in, Rivenes, R. S., Oct. 485.
motor ability, and visual adjustment, Hoepner, B. J., Dec. 605.

motor performance
practice, sprinting, and weight training effect on, Schultz, G. W., March 108.
comparing strength index with predicted strength and, Berger, R. A., Oct. 507.
variability of, Grose, J. E., Dec. 570.

motor skills
generality and specificity in learning of, Oxendine, J. B., March 67.
effect of instruction upon, Woods, J. B., March 132.
rhythmic accompaniment and learning of, Beisman, G. L., May 172.
effects of self-instructive learning materials on, Jarvis, L., Dec. 623.

movement
of finger, arm, and body, and timing, Grose, J. E., March 10.
practice effects on reaction and, Norrie, M. L., March 79.
effect of practice on score and variability for times of reaction and, Norrie, M. L., Oct. 457.

movement education
comparing two methods of teaching physical education, Scott, R. S., March 151.

muscle
creatinine excretion as an index of activity, Konishi, F., Oct. 398.
effects of tension and stretch on reaction and speed of, Schmidt, R. A., Oct. 494.
effects of exercise on ATP in, Harris, J. W., Dec. 598.

Nelson, Jack K., Dec. 630.

Norrie, Mary L., March 79, May 241, Oct. 457, 468.

Olson, Janice K., May 193.

Oxendine, Joseph B., March 86.

oxygen uptake
strength, body composition, and work in women's intercollegiate sports, Conger, P. R., and Macnab, R. B. J., May 184.
timing error in determining, Phillips, W. H., and Ross, W. D., May 315.

Peacock, William H., March 64.

Pelton, Barry C., Dec. 678.

Pennington, G. Gary, May 247.

perception
relationship of size to motor ability, Drowatzky, J. N., Oct. 375.
transfer effects in motor learning, Rivenes, R. S., Oct. 485.
relationship to pull and draw in archery, Eckert, H. M., and Wendt, D. M. Dec. 544.

performance
effects of d-amphetamine sulfate, caffeine, and temperature on, Lovingood, B. W., and others, March 64.
of mental task following treatments, McAdam, R. E., and Wang, Y. K., May 208.
of unacclimatized men, Shephard, R. J., May 291.

effect of impulse on momentum in trampolining, Shvartz, E., May 300.
of mentally retarded, Brown J., Oct. 348.
knowledge of isometric strength results on, Berger, R. A., Oct. 507.
treadmill running, Adams, W. C., Dec. 515.

personality
of college wrestlers, Kroll, W., March 49.
galvanic skin response related to difficulty, motivation, and Lakie, W. L., March 58.
differences between nonswimmers and swimmers, Richardson, A., May 263.
profiles of karate participants, Kroll, W., and Carlson, B. R., Oct. 405.
in women's team vs. individual sports, Peterson, S. L., and others, Dec. 686.

Peterson, Sheri L., Dec. 686.

Phillips, Madge, May 254.

Phillips, William H., May 315, Oct. 355.

physical education
attitudes toward related to success, Vincent, M. F., March 126.
comparing two methods of teaching, Scott, R. S., March 151.
problems and competencies of secondary teachers of, Roundy, E. S., May 274.
qualities of success in professional preparation, Servis, M., and Frost, R. B., May 283.
teaching behavior related to social-emotional climate of classes, Bookhout, E. C., Oct. 336.
prediction of success from attitude, strength, and efficiency, Vincent, M. F., Oct. 502.
current practices and beliefs in higher education, Pelton, B. C., Dec. 678.
influence of Hawthorne effect upon research in, Hanson, D. L., Dec. 723.

physical fitness
performance of mentally retarded on Kraus-Weber test, Brown, J., Oct. 348.
pre- and post- scores in conditioning, Frank, J. H., Oct. 510.
interrelationships between scores, Mohr, D. R., Dec. 725.

Pleasants, Frank Jr., Oct. 474.

pole vault
mechanical analysis of pole bend, Hay, J. G., March 34.

power
effect of learning and grips on golf accuracy and, Purdy, B. J., and Stallard, M. L., Oct. 480.

practice
effects on reaction movements, Norrie, M. L., March 79.
sprinting, and weight training effects on motor performance, Schultz, G. W., March 108.
effects of on score and variability for reaction and movement times, Norrie, M. L., Oct. 457.
skill development and, Corbin, C. B., Dec. 534.

problems
and competencies needed by secondary physical education teachers, Roundy, E. S., May 274.

professional preparation
qualities of success in, Servis, M., and Frost, R. B., May 283.

programs
current practices and beliefs in higher education, Pelton, B. C., Dec. 678.

pulse
weight, and temperature during menstrual cycle, Phillips, M., May 254.

Purdy, Bonnie J., Oct. 480.

push-ups
relationships between strength and work, Eckert, H. M., and Day, J., Oct. 380.

Ratliff, James W., Jr., Oct. 474.

reaction
practice effects on movement and, Norrie, M. L., March 79.
effect of practice on score and variability for movement time and, Norrie, M. L., Oct. 457.
effects of muscle position and stretch on speed and, Schmidt, R. A., Oct. 494.

recognition
motion pictures vs. flash cards for play training, Londeree, B. R., May 202.

recovery
reducing exercise stress, Falls, H. B., and Richardson, R. D., Dec. 550.

recreation
of occupational groups, Dowell, L. J., Dec. 719.

reflex time
effect of strength increase on triceps surae, Reid, J. G., Dec. 691.

Reid, J. Gavin, Dec. 691.

relaxation
performance of a motor task following, McAdam, R. E., and Wang, Y. K., May 208.

evaluation of courses, Lyons, M. D., and Lufkin, B., Dec. 663.

reliability
selection of a criterion score, Knoll, W., Oct. 412.

reminiscence
balance learning as influenced by lay-offs, Meyers, J. L., March 72.

research
publishable articles on, Teräslinna, P. March 154.

effect of Hawthorne effect upon, Hanson, D. L., Dec. 723.

retention
of balance learning as influenced by lay-offs, Meyers, J. L., March 72.

rhythm
effect on learning of motor skills, Beisman, G. L., May 172.
effect of changes in on emotions in dance, Hays, J. C., Oct. 389.

Richardson, Alan, March 95, May 263.

Richardson, Robert D., Dec. 550.

Rivenes, Richard S., Oct. 485.

Rosemier, Robert A., Dec. 576.

Ross, William D., May 315, Oct. 355.

Roundy, Elmo S., May 274.

rowing
see boating.

running
assessments of a champion—Peter Snell, Carter, J. E. L., and others, Oct. 355.
relationship and effect of variables on, Adams, W. C., Dec. 515.

running broad jump
see long jump.

Schmidt, Richard A., Oct. 494.

Schultz, Gordon W., March 108.

Scott, Gwendolyn D., March 22, 28.

Scott, Robert S. March 151.

Servis, Margery, May 283.

sex
age, sex, and maturity differences in arm composition, Malina, R. M., and Johnston, F. E., May 219.

Sharkey, Brian J., Dec. 698.

Shephard, R. J., May 291.

shot put
effects of practice, sprinting, and weight training on motor performance, Schultz, G. W., March 108.

Shvartz, Esar, May 300.

skill
and intelligence related to success in badminton and tennis competition, Thorpe, J., March 119.
effect of mental practice on, Corbin, C. B., Dec. 534.
relationship between diagnosing tumbling and, Girardin, Y., and Hanson, D., Dec. 556.
effect of equipment weight on acquisition of, Wright, E. J. Dec. 705.

Skubic, Vera, May 305.

smoking
effects of abstinence on swimming endurance, Pleasants, F., and others, Oct. 474.

social
social-emotional climate related to teaching, Bookhout, E. C., Oct. 336.

speed
effect of muscle position and stretch on reaction and, Schmidt, R. A., Oct. 494.
effect of training on throwing accuracy and, Brose, D. E., and Hanson, D. L., Dec. 528.

sports
strength, body composition, and work capacity of women in, Conger, P. R., and Macnab, R. B. J., May 184.
strenuousness of, Skubic, V., and Hodgkins, J., May 305.
personality traits in team and individual, Peterson, S. L., and others, Dec. 686.

sprinting
practice, and weight training effects on motor performance, Schultz, G. W., March 108.

Stallard, Mary L., Oct. 480.

standing broad jump
effects of practice, sprinting, and weight training on motor performance, Schultz, G. W., March 108.

statistics
on publishable research articles, Teräslinna, P., March 154.
best vs. average scores, Henry, F. M., May 317.
reliability in selection of a criterion score, Kroll, W., Oct. 312.

investigation of Ryhming step test, Day, J. A. P., Dec. 539.
factor analysis of strength, Liba, M. R., Dec. 649.

step test
statistical investigation of Ryhming step test, Day, J. A. P., Dec. 539.

strength
the curl-down test as a measure of abdominal, Harvey, V. P., and Scott, G. D., March 22.
relationship to motor ability, Berger, R. A., and Blaschke, L. A., March 144.
effects of tennis instruction, Woods, J. B., March 132.
body composition and work capacity of women in intercollegiate sports, Conger, P. R., and Macnab, R. B. J., May 184.
of grip, Montpetit, R. R., and others, May 231.
and handball ability, Pennington, G. G., and others, May 247.
requirements of sports, Skubic, V., and Hodgkins, J., May 305.
youth fitness test related to, Berger, R. A., and Mabee, D., May 314.
predicting chins and dips, Berger, R. A., Oct. 330.
duration of isometric contraction to endurance and, Cotten, D., Oct. 366.
and work in push-ups, Eckert, H. M., and Day, J., Oct. 380.
effects of isometric routines on size, endurance, and, in arms, Meyers, C. R., Oct. 430.
development and maintenance of isometric, Morehouse, C. A., Oct. 449.
prediction of success in physical activities from attitude, efficiency, and, Vincent, M. F., Oct. 502.
knowledge of isometric results on, Berger, R. A., Oct. 507.
comparing index test with predicted strength and motor performance, Berger, R. A., Oct. 507.
through isometric training, Hansen, G. F., Dec. 585.
effect of motivation on training and testing of, Johnson, B. L., and Nelson, J. K., Dec. 630.
factor analysis of variables, Liba, M. R, Dec. 649.
effect of increase on triceps surae, Reid, J. .G, Dec. 691.
effect of weight load upon, Berger, R. A., and Hardage, B., Dec. 715.

stress
procedures for reduction of, Falls, H. B., and Richardson, R. D., Dec. 550.

success
intelligence and skill related to badminton and tennis competition, Thorpe, J., March 119.
attitudes toward physical education related to, Vincent, M. F., March 126.
qualities related to in professional preparation, Servis, M., and Frost, R. B., May 283.

Sucec, Anthony, Oct. 355.

swimming
personality differences between nonswimmers and swimmers, Behrman, R. M., May 163.
performance of unacclimatized men, Shephard, R. J., May 291.
effects of smoking abstinence on endurance, Pleasants, F., and others, Oct. 474.
relationship of organ weight to, McArdle, W. D., and Montoye, H. J., Dec. 671.

tactile
and kinesthetic stimuli response, LaBarba, R. C., Oct. 420.

teaching
comparing two methods in physical education, Scott, R. S., March 151.
problems and competencies needed in secondary physical education, Roundy, E. S., May 274.
relation to social-emotional climate, Bookhout, E. C., Oct. 336.

telemetry
strenuousness of sports, Skubic, V., and Hodgkins, J,. May 305.
cardiac response to Little League baseball, Hanson, D. L., Oct. 384.

temperament
comparing athletes and majors, Ibrahim, H., Dec. 615

temperature
pulse, and weight during menstrual cycle, Phillips, M., May 254.
effects on performance of d-amphetamine sulfate, caffeine, and, Lovingood, B. W., and others, March 64.

tempo
see rhythm

tennis
intelligence and skill related to success in badminton and, Thorpe, J., March 119.
effects of varied instruction upon, Woods, J. B., March 132.

tension control
see relaxation

Teräslinna, Pentti, March 154.

testing
effect of motivation on strength training and, Johnson, B. L., and Nelson, J. K., Dec. 630.
of handball ability, Pennington, G. G., and others, May 247.

Thorpe, JoAnne, March 119.

Trousdale, William W., Dec. 686.

throwing
effect of training on velocity and accuracy, Brose, D. E., and Hanson, D. L., Dec. 528.

timing
for cinematography, Blievernicht, D. L., March 146.
of arms and legs affected by distances and handedness, Norrie, M. L., May 241.
finger, arm, and body movements, Grose, J. E., March 10.
in determining oxygen uptake, Phillips, W. H., and Ross, W. D., May 315.

track
analysis of vaulting pole bend, Hay, J. G., March 34.
assessments on a champion runner—Peter Snell, Carter, J. E. L., and others, Oct. 355.

training
effects of practice, sprinting, and weight training on motor performance, Schultz, G. W., March 108.
motion pictures vs. flash cards for play recognition, Londeree, B. R., Jr., May 202.
overload effects on throwing velocity and accuracy, Brose, D. E., and Hanson, D. L., Dec. 528.
effect of motivation on strength testing and, Johnson, B. L., and Nelson, J. K., Dec. 630.
cardiorespiratory adaptations to specified intensities of, Sharkey, B. J., and Holleman, J. P., Dec. 698.

trampoline
effect of impulse on momentum upon, Shvartz, E., May 300.

transfer effects
in perceptual-motor learning, Rivenes, R. S., Oct. 485.

triceps surae
effect of strength increase on, Reid, J. G., Dec. 691.

triple jump
electrogoniometric study of, Klissouras, V., and Karpovich, P. V., March 41.

tumbling
relationship between skill and diagnosis, Girardin, Y., and Hanson D., Dec. 556.

vaulting pole
mechanical analysis of bend, Hay, J. G. March 34.

velocity
see speed

Vincent, Marilyn F., March 126, Oct. 502.

Wang, Yuan K., May 208.

Weber, Jerome C., Dec. 686.

weight
pulse, and temperature during menstrual cycle, Phillips, M., May 254.
of organs and swimming performance, McArdle, W. D., and Montoye, H. J., Dec. 671.

weight training
kinesthetic sensitivity for, Norrie. M. L., Oct. 468.
practice, and sprinting effects on motor performance, Schultz, G. W., March 108.
effect of load on strength improvement, Berger, R. A., and Hardage, B., Dec. 715

Wendt, Dorothy M., Dec. 544.

Woods, John B., March 132.

work
strength and body composition of women in intercollegiate sports, Conger, P. R., and Macnab R. B. J., May 184.
effects of on postexercise leucocytosis, McDavid, R. F., May 213.
heart rate response to, Alderman, R. B., Oct. 323.
and strength in push-ups, Eckert, H. M., and Day, J., Oct. 380.

wrestling
personality factors of, Kroll, W., March 49.

Wright, Edward J., Dec. 705.

youth fitness test
relationship to dynamic strength, Berger, R. A., and Mabee, D., May 314.

zigzag run
effects of practice, sprinting, and weight training on motor performance, Schultz, G. W., March 108.

Zuccato, Fay C., Oct. 509.
